

# 2024 Lead-acid Battery Conference

When is the lead battery Innovation Conference ELBC?

The premier lead battery innovation conference, ELBC, takes place in Milan next September and exhibition reservations are now open. If you want to join the largest gathering of lead battery experts with more than 1000 attendees from across the global lead battery supply chain, then visit the ELBC website to reserve your preferred exhibition booth.

When is ELBC 2024?

The ELBC conference will take place between 16 - 19 September 2024 in Milan, Italy. ELBC is the major lead battery innovation conference, bringing together global lead battery experts, researchers, companies and suppliers.

What is a lead battery programme?

The programme includes the latest in lead battery research and innovation, with leading lead battery experts covering topics such as partial state of charge operations, battery and power management, automotive product and test development, new components for lead batteries and interactive discussions on lead battery fundamentals.

Why should you attend ELBC 2024?

While attendees immerse themselves in the latest advancements in lead battery innovation, ELBC attendees can explore Milan's culinary and nightlife scene. This synergy of professional enrichment and cultural exploration makes ELBC 2024 an unmissable event, combining cutting-edge research with the unique charm of Milan.

What is the International Lead Association (ILA)?

Organiser: International Lead Association. The International Lead Association (ILA) is a focused and dynamic organisation dedicated to serving lead producers and other companies that have a direct interest in lead and its use.

Where can I enter the Mico Conference 2024?

Please note that all attendees must enter exclusively through Gate 14 at the Allianz MiCo North Wing, Via Gattamelata. This year's conference will begin on Monday ending on Thursday Mico Convention Center in Milan from Monday 16 - Thursday 19 September, 2024. We look forward to seeing you there!

Date: September 16 - 19, 2024. ELBC is the major lead battery innovation conference, bringing together global lead battery experts, researchers, companies and suppliers. The conference's technical program showcases the latest updates on technical improvements and electrochemical research on topical areas from energy storage to ...
