Cameroon new lithium battery project

Where are Eneo solar & battery storage plants located in Cameroon?

Release entered into a lease agreement with ENEO, an electricity company, in 2021 to deliver two solar hybrid and battery storage plants that have a combined capacity of 36MW solar and 20MW/19MWh of storage. The plants are located in Maroua and Guider, in the Grand-North Cameroon.

Does Scatec have a solar power plant in Cameroon?

10 June 2024, Cameroon/Norway: Release by Scatec has entered into two new lease agreements with the national electricity company ENEO in Cameroon, expanding its existing solar and battery storage power plants in the country to 64.4 MWof solar and 38.2 MWh of batteries.

When is release by Scatec launching solar plants in Cameroon?

22 September 2023, Cameroon: Today, Release by Scatec celebrates the inauguration of the solar plants in Cameroon. Release entered into a lease agreement with ENEO, an electricity company, in 2021 to deliver two solar hybrid and battery storage plants that have a combined capacity of 36MW solar and 20MW/19MWh of storage.

How much energy will release supply in Cameroon?

When the extensions of the projects are completed, Release's projects in totality will supply energy to about 200,000 households in Cameroon, according to ENEO estimates, generating an annual production of about 141.5 GWh of electricity.

Are solar power plants generating electricity in Cameroon?

The solar power plants have been completed in phases generating electricity throughout 2022 and are now fully completed. There have been reports of significant improvements of electricity supply in the northern parts of Cameroon. Regions that fall under the Northern Interconnected Network were prone to experiencing power outages.

Does Cameroon have a stable electricity supply?

There have been reports of significant improvements of electricity supply in the northern parts of Cameroon. Regions that fall under the Northern Interconnected Network were prone to experiencing power outages. Today we are proud to say that they have more stable power in the countrycourtesy to our rapidly deployable leasing solution.

Scatec's Release, in collaboration with Izuba Energy and Sphinx Energy, has secured two new lease agreements with ENEO, Cameroon's national electricity company. These agreements will expand the solar and battery storage capacity in Cameroon to 64.4 MW of solar and 38.2 MWh of batteries.
