At Batteries Plus, the total cost, including programming was \$125! And it only took 20 minutes to cut the key and program it. Impressed by the affordability and fast service rendered here. Skip the high prices and long wait from dealerships and get key fobs here instead." See more reviews ...

1. The spare part prices listed on spare part price query interface could differ from the actual charge, owing to warranty period of the handset. If a handset is in warranty then services like software abnormality resolution, product inspection, part replacement and system maintenance, will be provided free of cost. Please note that services ...

Find the best repair shops for Battery Replacement in Chicago. All RepairPal Certified repair facilities perform quality work at fair prices.

I got a couple of the "Warrior" lithium batteries (18v, but charge up to 20) and swapped the batts & boards into the CE battery cases. All charge logic, protection is on the board--the Warrior chargers are just 20v power supplies (and one came with each battery ?. Soldering required, and adding hole in case to insert charger plug. Has ...
