

First Solar Energy Company Official Website

First Solar est une entreprise américaine fabriquant des panneaux solaires et l'un des leaders mondiaux dans ce domaine. Les sites de production de First Solar sont situés aux États-Unis, en Malaisie et en Allemagne.

Ranked as one of the world's most bankable solar manufacturers by Bloomberg New Energy Finance, Trina Solar is the manufacturer you want for your solar panels.

First Solar has developed, financed, engineered, constructed and currently operates many of the world's largest grid-connected PV power plants. Our experience across the solar value chain reduces risk while delivering more reliable, dependable and ...

First Solar is the only American company among the top 10 solar manufacturers globally. 25+ gigawatts of First Solar modules shipped around the world over the past 20 years. 45+ countries using First Solar modules in their renewable energy efforts. \$1 billion+ dollars spent in research and development since 2010. \$1 billion+ spent on an American supply chain every year

En mai 2009, First Solar a également conclu un accord avec Pfalzsolar GmbH et la société italienne Energy Resources. En 2010, First Solar s'est associée au projet Desertec [22], qui vise à construire de vastes centrales solaires en Afrique du Nord. Celles-ci produiront de l'électricité, aussi bien pour la consommation locale que pour l'exportation vers l'Europe. En 2010 et 2011, ...
