

# Import of scrap tantalum capacitors

Sell scrap Tantalum to Tantalum Recycling, a conflict free processor, including capacitors, anodes, powders, sputtering targets, residues scrap and more.

Scrap Capacitors / Tantalum Capacitors. Scrap Capacitors shall consist of whole or recovered capacitors, must be primarily tantalum capacitor materials. may include sorted capacitors from populated circuit board shearing. This Report is Quoted in USD/LBS. TO PURCHASE REPORT, ENTER YOUR EMAIL ADDRESS AND CLICK GO : Cost of this Report \$17.50. WebMaster ...

Buss & Buss has developed processes to efficiently recycle tantalum scrap and reintroduce it into the raw material cycle as pure tantalum (>99.9%) or its compounds. In order to successfully recycle tantalum, we comply with strict regulations and our own quality standards, which have also been documented within the framework of ISO certification ...

We offer products such as conflict-free concentrates and recycling services for Tantalum scrap metals such as super alloys and capacitors. Skip to content. 980-238-2600 [email protected] 1808 Indian Creek Rd Lincolnton, NC 28092; 1111 ...

IsraSpecMet LTD has the capability of extracting Tantalum Capacitors from scrap circuit boards, as well as other types of electronics wastes. We know the best methods in the industry for obtaining the tantalum capacitors in the most efficient manner possible.

Tantalum Recycling procures and recycles all types of Tantalum scrap. We purchase Tantalum capacitor scrap, tantalum contained sputtering target scrap, and tantalum chemically pure scrap. Tantalum Recycling is a certified conflict free processor and Tantalum recycler dealing directly with the capacitor electronics and superalloy industries.

Oryx Metals purchases and recycles all forms of scrap Tantalum (Ta) materials and Tantalum ...

Oryx Metals purchases and recycles all forms of scrap Tantalum (Ta) materials and Tantalum alloy scrap, including solids, turnings, capacitors, powders, anodes, grindings, residues, and sludges, and provides better prices for tantalum metal scrap than local scrap dealers.

Oryx Metals sources tantalum scrap from all over the world and specializes in recycling off-grade (refinery) tantalum powders, turnings, and furnace scraps. We also regularly recycle CP tantalum scraps, including stampings, targets and other tantalum material types. Oryx currently recycles all SMD tantalum capacitors (yellow and black ...
