

New Energy Battery Exchange Cabinet Exhibition

What is the 2024 China International new energy battery & technology equipment exhibition?

The 2024 China (Beijing) International New Energy Battery and Technology Equipment Exhibition is part of the 13th Beijing International Automobile Manufacturing Expo and will continue to be held in July 2024 at the China International Exhibition Center (Shunyi Hall).

How many people are attending a power battery exhibition?

Exhibiting brands: estimated 1,000+ Professional visitors: expected to exceed 50,000+ Exhibition introduction: The technical development of power batteries, the fundamental energy storage and conversion devices and core components of new energy vehicles, is the key driver for the global automobile industry to turn electric.

What is Shanghai International Energy storage lithium battery & power battery Conference & Exhibition 2024?

The 12th Shanghai International Energy Storage Lithium Battery and Power Battery Conference and Exhibition 2024 Basic information of the exhibition: Exhibition dates: August 2-4, 2024 Exhibition area: estimated 70,000 sq.m Exhibiting brands: estimated 1,000+ Professional visitors: expected to exceed 50,000+ Exhibition introduction:

What is new energy battery industry?

In the context of carbon neutrality, new energy has entered an era of planning and global competition with a 10-year cycle. The new energy battery industry, as a high-quality track for the integration and development of green energy and advanced manufacturing, is an emerging industry encouraged by the country.

Is the lithium battery market entering the TWh era?

The global new energy vehicle market and energy storage are simultaneously boosting, and the lithium battery market has entered the TWh era, opening a new chapter in the lithium battery industry. In the context of carbon neutrality, new energy has entered an era of planning and global competition with a 10-year cycle.

How big is the battery exhibition area?

The exhibition area is expected to reach 30,000 square meters, with over 350 domestic and foreign exhibitors. We will showcase power batteries, energy storage batteries, 3C batteries, various battery materials, manufacturing equipment, power and energy storage system solutions on site.

The 20th China Nanjing International Battery and Energy Storage Technology Expo will meet again in Nanjing in 2025. As the first exhibition of the new energy battery ...

SNEC 16th (2022) International Photovoltaic Power Generation and Smart Energy Exhibition & Conference Dec. 27-29, 2022 Shanghai New Inter...

New Energy Battery Exchange Cabinet Exhibition

As one of the theme exhibitions (2025 Shanghai International New Energy Vehicle Technology and Supply Chain Exhibition), it provides a "high-level, high-taste and high-quality" ...

The 2024 China (Beijing) International New Energy Battery and Technology Equipment Exhibition is part of the 13th Beijing International Automobile Manufacturing Expo and will continue to be held in July 2024 at the China International Exhibition Center (Shunyi Hall). The exhibition area is expected to reach 30000 square meters, with over 350 ...

The 20th China Nanjing International Battery and Energy Storage Technology Expo will meet again in Nanjing in 2025. As the first exhibition of the new energy battery industry in 2025, the China Battery Expo will gather various resources during the peak season of April, bringing a disruptive industry event to everyone.

The 2024 China (Beijing) International New Energy Battery and Technology Equipment Exhibition is part of the 13th Beijing International Automobile Manufacturing Expo and will continue to be ...
