

# Northern Solar House

Who is the solar house ni?

The Solar House NI - The Trusted Name in Solar! We are a leading Northern Irish owned company providing custom energy efficient solutions in the most cost-efficient way. We work with an aim to ensure that each and every individual saves on their energy through our solar system installation.

How good is northern solar?

Northern Solar designed and installed a great system for our home. Averaged over the month, it will offset close to RM800 of our electricity bill. They took care of all the details so we didn't have to worry about anything! All the staff are knowledgeable, professional, and courteous. Five Stars!!! Our experience was fantastic!

Who are northern solar?

Together we're lighting up a greener future for all! Northern Solar was founded in 2006, marking a pioneering presence as the Very First Solar PV Company in Merseyside and the second in the entire North West of England. Over the years, we've witnessed remarkable growth, evolving into the industry leader we are today.

Does northern solar have good project management?

Northern Solar has demonstrated good project management by completing the project on schedule and fulfilled all the requirements. The performance of the solar generation was as per projected, thus helping the company to save on the high electrical tariff cost. Kudos for the job well done and we are pleased with this partnership.
