

Solar Factory Direct Enterprise Store

What is Sun store?

sun.store is a rapidly expanding online platform, a marketplace dedicated to the photovoltaics industry. The marketplace where installers can buy all the PV equipment they need - modules, inverters and batteries. We combine offers from hundreds of sellers across Europe, so it is easy to search and compare availabilities and prices.

Who sells solar products in Europe?

The platform features products from Europe's largest distributors, including the Netherlands' Solar Today, Spain's AmaraNZero, the Czech Republic's Solarity, and Poland's Menlo Electric, Polenergia and BeelN, to name a few.

How does Sun store work?

„Across countries and brands, the platform offers a quick and easy buying and selling process with broad offers from numerous sellers”, Agata Krawiec-Rokita, sun.store co-founder & CEO says. Features such as easy comparison of offers and the possibility of “buy it now” are the main highlights.

Is Sun store a good platform for distributors?

“Sun.Store is an exceptional online platform for distributors. Its intuitive design makes both product showcasing and finding desired items effortless. Direct communication and secure transactions make this platform a valuable resource for any distributor seeking online success. Highly recommended!”

Who makes solar panels?

Products from leading manufacturers are currently being sold, including those from Jinko, Longi, JA Solar, Trina, Canadian Solar, Huawei, SolarEdge, Sungrow, BYD, Pylon Tech, Goodwe, SMA, Fox EES oder Risen. In total there are 30 active distributors on board, along with almost 2000 offers.
