Solar Panels. Solar panels convert sunlight into electricity. When selecting panels, consider the following: Type: Choose between monocrystalline, polycrystalline, or thin-film panels. Monocrystalline panels are more efficient but often cost more. Polycrystalline offers a good balance of efficiency and cost. Wattage: Higher wattage ratings mean more power ...

The 1% customs duty on solar panels and, more worryingly, the 37% customs duty on solar inverters have made solar very expensive for renewable energy firms working in Bangladesh. The high duty on inverters is levied as they are categorised as "other static converters" and are not given any special consideration for being vital equipment needed for ...
