Good outdoor lighting dramatically extends the hours when you can enjoy your yard. It can make things safer by highlighting paths and walkways, or you can use it to showcase standout features like a koi pond or slate patio. And of course, the beauty of outdoor solar lighting is that there's no need for wiring or an outdoor outlet.

Luckily, we tried and tested a wide range of solar lights to find the best one for every outdoor space and how well they cope with different weather conditions for longevity. If you want to...
