

Tender for solar panels

Where can I find a tender for a solar project?

The Bidstat website aggregates tender listings from the OJEU TED database, the UK Contracts Finder and the new Find a Tender service. The state-owned Solar Energy Corporation of India publishes tender listings and results for government projects, sorted by the submission deadline.

Why are solar photovoltaic (PV) tenders becoming more popular?

Protecting the environment and developing the green economy is becoming a focus for businesses and property owners as well as utilities and governments. This is driving an increase in the number of solar photovoltaic (PV) tenders being issued to award contracts for project construction and maintenance.

How to find out about solar pump tenders?

Keeping up with news across industry sectors covered by publications like pvMagazine is another useful way to find out about tenders. A recent pvMagazine article details a solar pump tender launched by the Indian state-owned company Energy Efficiency Services Limited (EESL), including the scope of the work and eligibility criteria.

Does Sunderland City Council have a solar tender?

Searching for solar shows that Sunderland City Council published a £2 million tender on January 25 for the supply, installation and maintenance of solar PV and battery storage systems at a number of council premises and sites.
